# ALMA MATER

Pure as the dawn on the brow of thy beauty  
Watches thy soul from the mountains of God  
Over the Fates of thy children departed  
Far from the land where their footsteps have trod.  
Beacon of Hope in the ways dreary lighted;  
Pride of our hearts that are loyal and true;  
From those who adore unto one who adores us—  
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward  
Proud of our place in the vanguard of Truth,  
Will sing unto thee a new song of thanksgiving—  
Honor to God and the Springtime of Youth.  
Shout for the victory or tear for the vanquished;  
Sunshine or tempest thy heart is e'er true;  
Pride of the hills and the white-laden Lowlands—  
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,  
Even the Battle in Cities afar;  
Still in the depth will thy Spirit eternal  
Beckon us on like a piloting Star.  
Down the dim years do thy dead children call thee,  
Wafted to sleep while the Springtime was new;  
We, of the Present, thy Hope of the Future—  
Mother of Mothers, we pray unto you.

THE UNIVERSITY MACE AND BATONS

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

MARSHALS' GOWNS

The gowns worn by the marshals are of the traditional University color, cardinal red.

HONOR STOLES

White or cardinal stoles denote students who are candidates for

University Honors. Cardinal represents Honors (cum laude) and white represents High Honors (magna cum laude). White stoles with cardinal and white cords represent Highest Honors (summa cum laude).

THE UNIVERSITY SONG

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '1906, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

ACADEMIC REGALIA

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture .....	Maize	Fine Arts .....	Dark Brown	Medicine .....	Green	Public Health .....	Salmon Pink
Architecture .....	Blue Violet	Forestry .....	Russett	Music .....	Pink	Science .....	Gold
Arts And Letters .....	White	Human Envi. Sci. ....	Maroon	Nursing .....	Apricot	Social Science .....	Cream
Business And Bus. Admin. ....	Drab	Humanities .....	Crimson	Pharmacy .....	Solid Green	Social Work .....	Citron
Economics .....	Copper	Journalism .....	Crimson	Philosophy .....	Royal Blue	Speech .....	Silvery Gray
Education .....	Light Blue	Law .....	Purple	Physical Education .....	Sage Green	Theology .....	Scarlet
Engineering .....	Orange	Library Science .....	Lemon Yellow	Public Admin. ....	Peacock Blue	Veterinary Science .....	Gray

THE UNIVERSITY SEAL

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

## HONORARY DEGREE RECIPIENT

*James B. Patterson*  
*Doctor of Humane Letters*

James Patterson received the Literarian Award for Outstanding Service to the American Literary Community at the 2015 National Book Awards. This award honors individuals for a lifetime of achievement in expanding the audience for books and reading.

Patterson is the most prolific and best-selling American author in modern times. He began his career as a novelist in 1976, winning the Edgar Award for Best First Novel by an American Author with *The Thomas Berryman Number*. Since then he has published in virtually every genre and is particularly proud of his series aimed at young adults and middle school readers.

Patterson was born in Newburgh, New York, on March 22, 1947. He attended Manhattan College as an undergraduate before earning a master's degree in English literature at Vanderbilt University. He moved to New York City and took a job as a copywriter at the J. Walter Thompson ad agency in 1971. He later became chair of J. Walter Thompson North America.

Patterson holds the Guinness World Record for the most No. 1 New York Times bestsellers – he's had 117 books make the bestseller list and 68 have hit No. 1. His books have sold more than 325 million copies worldwide.

As stated in the letter nominating him for an honorary degree, "To say that Mr. Patterson is a superstar in the publishing world would be an understatement — he is a galaxy unto himself."

Patterson is also a tireless champion of the power of books and reading. His website, [ReadKiddoRead.com](http://ReadKiddoRead.com), is designed to help parents, teachers and librarians ignite the next generation's excitement about reading. The site is dedicated to helping visitors find books they can read to and with their children.

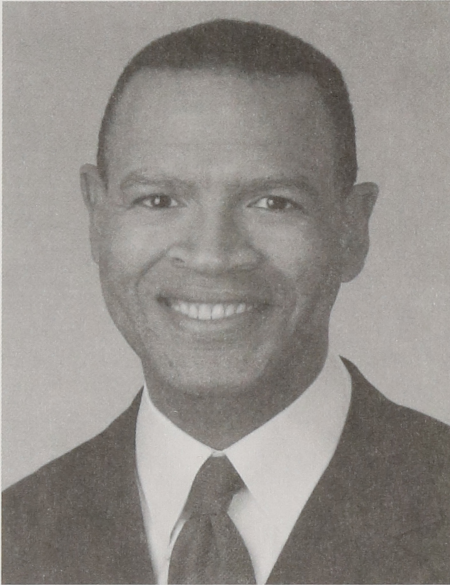

His mission is exemplified by his new children's book imprint, JIMMY Patterson, whose mission is simple: to have every kid who finishes a JIMMY Book say: "PLEASE GIVE ME ANOTHER BOOK." Patterson will invest his proceeds from the sales of JIMMY Patterson Books into pro-reading initiatives.

Patterson has donated more than one million books to students and soldiers. He has also donated millions to independent bookstores and school libraries. In 2015, Patterson partnered with Scholastic Reading Club to distribute \$1.75 million in grants to school libraries across the country.

The University of Arkansas is one of 24 schools where Patterson established the James Patterson Teacher Education Scholarship Fund, to support up-and-coming teachers who will help their students develop a lifelong love of reading. His donation in 2013 provided eight \$6,000 scholarships to elementary or secondary education majors in the College of Education and Health Professions. The following year he doubled the size of his gift, funding an additional eight scholarships.

## HONORARY DEGREE RECIPIENT

*James D. Rice Jr.*  
*Doctor of Humanities*

Don Rice is founder, president and chief executive officer of the Rice Financial Products Co., one of the nation's largest minority-owned municipal investment banking firms.

Rice was born on Aug. 22, 1958, and moved with his family to Hot Springs when he was four. Although he only lived in Arkansas for the next decade of his life, he has said his roots are in Hot Springs and he considers himself an Arkansan.

His father, Rev. James Donald Rice Sr., served as pastor of Roanoke Baptist Church and was the president of the Hot Springs NAACP. His mother, Mrs. Ellen Rice, sponsored and operated the city's first Head Start program.

Rice and his sister were the first African American students to integrate Eastside Elementary School in Hot Springs. At Hot Springs Junior High, Rice was the first seventh grader to be elected student body vice president.

Rice earned an engineering degree from Kettering University and worked as an automotive manufacturing engineer for General Motors before attending Harvard Business School, where he received an Master of Business Administration with distinction.

Rice began his career in the financial sector in 1985, working for Merrill Lynch as a founding member of the company's municipal derivatives products group, which developed complex bond-related products to reduce borrowing costs for state and local governments. He pioneered a technique for re-funding municipal debt that later became a common Wall Street practice, and later developed several other new financing products and techniques.

He formed Rice Financial Products Co. in 1993 with a focus on derivative-based borrowing for municipal governments, later expanding into general bond underwriting for municipalities and higher education institutions. Today, Rice Financial Products is involved in 10 percent of the state and local government borrowing done in America, and has distinguished itself as the largest financier for historically black colleges and universities.

In 2000, Black Enterprise named Rice Financial its Financial Company of the Year. Rice was selected as Entrepreneur of the Year by the National Association of Securities Professionals in 2002 and the following year he was inducted into the Arkansas Black Hall of Fame.

Rice has served on the board of directors for Kettering University and New York City's United Neighborhood Houses and on the governing board of the New York City Head Start program. He was appointed by the governor of New York and confirmed by the state Senate to serve on the board of directors for the New York State Thruway Authority.

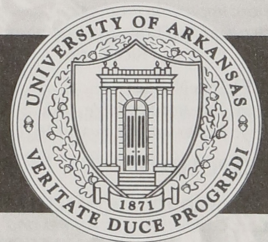

Rice has also donated to a number of not-for-profit programs and institutions, including the National Urban League and Summer on the Hill, a year-round, supplemental enrichment program for promising, low-income public school students.
